Sb: Updates and Corrections to 2008 Supplemental Regulations, Seed 8 Rally School Site, and Other Information

1) The following is an correction to Appendix 1 to the Supplemental Regulations for the 2008 Rally in the 100 Acre Wood National and Trespassers Wil and 100AW Regional rallies.

a) Technical inspection on Friday, February 22, will be held between 9:00 AM and 11:30 AM, not 9:00AM an 11:30 PM, as had been originally posted. The location for inspection remains unchanged, and is at the Salem Fire House.

2) The Seed 8 (Novice) Rally School will be held on Thursday, Feb 21, at 7:30 PM at the Salem Area Chamber of Commerce and Visitor Center, 200 South Main St. Salem. This is just to the south and up the hill from the Salem Fire House, where Tech and Registration will also be held that day.

3) During conversations with area residents living at or near what will be the location for ATC 8 and ATC 12 this year, it was recently mentioned that some competitors were less than circumspect about responding to the "call of nature" while lined up and waiting to enter an ATC at this location last year.

While the comments were given to us with a knowing smile, we wish to remind competitors that they are always ambassadors of our form of motorsport, and should take into consideration the nearby surroundings when choosing to relieve the pressures of travel. If those pressures are too great, we ask that every effort be made to obtain relief in a location that is more shielded from the potential view of nearby residents, particularly in the vicinity of ATC 8 and ATC 12.
