There is no additional cost to run the shakedown stage.
- 11.8.2. Competitors wishing to find an alternate site for car setup and/or practice prior to or during the running of the official shakedown stage may wish to contact the SayersBrook Bison Ranch, north and west of Potosi, MO, just off Hwy AA. This is a rental site, and use of it must be arranged with the owner and operator of the site, Skip Sayers.

The SayersBrook Bison Ranch is within a 100-mile radius of the event headquarters in Salem, MO. A sanction exception to Article 7.1.B of the RARB has been granted by Rally America to specifically allow the SayersBrook Bison Ranch to become available for use by competitors.

The website for the ranch is <http://www.sayersbrook.com>. There is no financial or promotional connection or arrangement between the SayersBrook Ranch and the Rally in the 100 Acre Wood, nor Rally America, nor is this site covered by the insurance for the Rally in the 100 Acre Wood. Competitors wishing to use this site will be doing so at their own risk.

11.9 Other Pertinent Rally Information

- 11.9.1 The organizers have the right to amend or cancel any portion of the rally or time schedule before or during either day of the event.
- 11.9.2 As a point of general information, the unposted speed limit in the state of Missouri is 55 miles per hour for paved roads. Due to the variety of county ordinances, we recommend using 35 mph as a guideline for a speed limit on unpaved roads except when they are being used for special stages as part of the rally.
- 11.9.3 Road Surface: The 100 Acre Wood Rally Route will be approximately 375 miles in length with approximately 110 miles of competitive stages. Friday's roads (TW) will contain about 140 miles overall/39 stage miles. The Saturday (100AW) route will be approximately 225 miles in length with approximately 70 miles of stage. All competitive stages will be held on roads that consist primarily of gravel, and will vary somewhat in width and tightness.

As has been seen over the past several years, Missouri weather patterns in late February can best be described as capricious. In the unlikely event that it is dry, the roads can generate some dust, but, with the exception of the 2006 event, it's never been a deterrent. They can be slippery when wet (as many competitors found out in 2007 and 2008), and all bets are off if it REALLY snows (remember 2008 and 2009?). The committee is prepared to conduct this event under ANY circumstances and will give the contestant competition regardless of weather conditions. Roads vary from sweeping, well-groomed roads to tight and twisty. There is a lot of vertical travel on sections of this course.

12.0 PRIZES

- 12.1 The Awards Banquet will be held at the Eagles' Lodge, west of Salem on MO Hwy 32, beginning at about 9:30 PM on Saturday, Feb. 27. It is recommended that only service vehicles and workers' cars be used to get to the Eagles' Lodge, as parking may become a problem otherwise.

12.2 Awards to placing teams, both overall and each class, will be awarded for all events (100 Acre Wood, TW, 100AW, and RRC) according to the number of cars registered, and any awards sponsorship(s) obtained. Trophies for RRC class champions will be awarded by Rally America.

13.0 FINAL CHECKS AND PROTESTS/CLAIMS

13.1 Post-rally inspections and teardowns of any competing vehicle will be performed as part of activities at the discretion of the Rally America Tech Director. The location of these activities, if not at the actual Parc Fermé location, will be at the Saturday Official Finish location at the Dent County Court House, Salem MO.

13.2 Protests/Claims: Request for Stewards' Review forms will be included in the Route Book, and will also be available at Registration. Claim forms will be available from the Event Steward at the final MTC IN at Holiday Inn Express in Salem Friday evening and at the final MTC IN at the Dent County Court House in Salem Saturday evening.

All protests/claims, including fees, will be per the RAPRR, Section 8.3

13.2 Appeals: Any and all appeals of the decisions of the stewards, including fees, will be handled as per the RAPRR, Section 8.4.
