Sanctioned by Rally America, the Rally in the 100 Acre Wood will cover over 120 racing miles that will test rally teams from all across the country (and several foreign countries) on a variety of gravel road surfaces. Set in the foothills of the Ozark Mountains, this rally contains some of the most scenic roads on the Rally America calendar. Each day will begin with a rally car show and opening ceremony. The public is invited to join in the festivities, see the cars up close, pose for photos, get autographs, and meet the teams at the start of each day and at the service areas in Steelville on Friday and the Dent County Commons on Saturday. Teams will compete throughout each day, passing multiple spectator points, before returning to Salem Saturday night. There is no admission charge for any of these events.

Spectator Guides will be available at various community locations and online at the rally website, <http://www.100aw.org>. The guide will include detailed maps and directions to each spectator location and a full event schedule.
